

# NAPOMLE

Dear Colleague:

I am writing to invite you to either join the National Association of Professors of Middle Level Education (NaPOMLE) or to renew your membership. Our membership files indicate attendance at NaPOMLE, in conjunction with the National Middle School Conference, but that you have either not joined or renewed your membership. This association offers many benefits for only \$25.00:

- Bi-annual journal – online “Current Issues in Middle Level Education.”
- E-newsletter – online
- Comprehensive Web Site
- Networking and Collaboration opportunities

I trust you will join us or continue to be a part of us. I would encourage you to complete the form below:
